Meet Crieewood...

Crieewood, as a body of believers, began April 4, 1954 as a small group meeting in the basement of one of its charter members to constitute a new church fellowship. From that modest beginning, Crieewood has grown to a church which averages approximately 300 people in Bible Study and Worship every Sunday morning. Included in this number is a Laotian congregation.

As followers of Christ, we move through the process of **Believing** in Christ as Savior, **Caring** for those around us and **Sharing** God's love with those who need Him.
